

PO Box 24498, Nairobi - 00502, Kenya

As we take to the skies again, we are implementing various measures without compromising safety to COVID-19 management which safeguards our clients, pilots and guides as well as our team on the ground, whilst trying to ensure we don't negatively impact the very experiences that draws you to Africa and the exciting adventures we take you on

BEFORE DEPARTURE

- Guest's temperatures will be taken on arrival and hand sanitiser will be available for use in our helicopters.
- Our Ground Handlers will have their temperatures taken upon arrival at work with comprehensive sanitisation and safety measures in place.
- Bags will be sanitised before being taken to the aircraft.
- All our aircrafts have a dedicated person (overseen by the Captain) that will ensure aircrafts are deep cleaned thoroughly before our passenger's arrival and after their departure.

EXCLUSIVE AIRCHARTERS

- Heliprops has always offered an exclusive experience to each booking/client therefore ensuring that our passengers are not sharing an aircraft with anyone else other than their family/friends they are on Safari with.
- The allocated aircraft, pilot/guide will not change during the client's charter.
- All our aircraft continue to carry anti-bacterial wipes, disinfectant and hand sanitisers.
- Facemasks will also be available upon request.

CLIENTS & STAFF

- Social distancing measures will be taken and masks will be worn by ground handling staff in all areas whilst passengers will be encouraged to do the same.

ACTIVITIES

- None of our activities are shared; all picnics, bush breakfasts, day trips, sundowner trips and various excursions are completely exclusive and private.
- For the next six months and possibly longer we will not be offering any excursions where our clients have to interact with others i.e. Cultural Visits.

Terms & Conditions

For all new bookings a 30% deposit is still required to secure your bookings. Full Payment is due 30 days prior to arrival and postponements are extended for COVID related setbacks.
